Second announcement

The international Conference on Molecular Energy Transfer in Complex Systems (iCOMET 2019) will be held in Hefei, China, from September 22th to 27th, 2019.

History & Topics

iCOMET 2019 continues a series of conference which started in 1971 in Cambridge UK. The conference has always been a wonderful stage that brings together scientists from all over the world to present and discuss cutting-edge experimental and theoretical studies.

Topics of iCOMET 2019 include: chemical reaction dynamics, advances in theoretical chemistry, photo-fragmentation dynamics, dynamics at surfaces, cold collisions and clusters, non-covalent bonding in biological systems, ultrafast dynamics, electronically nonadiabatic phenomena, energy conversion processes and elementary processes in heterogeneous catalysis.

Speakers

Leading experts in the field are invited to speak at the iCOMET2019. A list of the confirmed invited speakers can be found on our webpage:

Registration

Registration can be made by sending your filled registration form (download from the conference website) to icomet2019@ustc.edu.cn. After registration, a letter of invitation will be sent to you together with the confirmation of registration via email. Participants who need printed invitation letters for visa applications or other purposes can write to the Conference Secretariat icomet2019@ustc.edu.cn.

The bank branch name has been changed from “Nancheng” to “Shushan” very recently. Therefore, a transfer using the old name may be delayed. We are sorry for the inconvenience. Please follow the updated bank information on our webpage.
http://icomet2019.ustc.edu.cn/html/registration.html, and do not hesitate to contact us if you have any questions.

**Abstracts**

Now we are calling for abstract submission. Please submit your abstract to icomet2019@ustc.edu.cn before June 30th, 2019 using the template provided on our website.

**Accommodation**

The iCOMET 2019 will be held at Wanda Realm Hefei which we recommend as the on-site accommodation. We have booked rooms for confirmed invited speakers. In addition, we have also negotiated discounted room rates (Deluxe Room 400 CNY per night and Deluxe View Room 450 CNY per night, both breakfast included) to make your stay in Hefei affordable and convenient. Rooms at the group rate are subject to availability on a first come, first-served basis. It is recommended to make hotel reservations as early as possible. There are also other hotels within walking distance. More information can be found on our webpage http://icomet2019.ustc.edu.cn/html/accommodation.html. If you have any questions on the hotel booking, please do not hesitate to contact us (icomet2019@ustc.edu.cn).

Welcome to the iCOMET 2019 conference! We look forward to seeing you in Hefei in September.

Sincerely yours,
Xingan Wang and Xueming Yang
Co-chairs of iCOMET2019
